1. INTRODUCTION

Welcome to iJustTap.

iJustTap LLC ("**iJustTap**," "**we**," "**us**," or "**our**") is a company organized in the State of New Jersey, United States.

We respect your privacy and are committed to protecting the information you provide when using our website, applications, digital profile services, NFC-enabled products, and related services (collectively, the "**Services**").

This Privacy Policy explains what information we collect, how we use it, how it may be shared, how we protect it, and the choices available to you.

By accessing or using our Services, you acknowledge the practices described in this Privacy Policy.

2. INFORMATION WE COLLECT

The information we collect depends on how you interact with iJustTap.

2.1 Information You Provide

You may provide information when you:

- Create an account
- Create or edit a digital profile
- Purchase an iJustTap product
- Contact us
- Participate in our affiliate or referral programs
- Use our website or Services

This information may include:

- Full name

- Email address
 - Telephone number
 - Company name
 - Job title
 - Business information
 - Website addresses
 - Social media links
 - Profile photograph
 - Profile description or biography
 - Shipping information
 - Billing information
 - Account information
 - Order information
 - Affiliate or referral information
 - Other information you voluntarily provide
-

2.2 Account Information

When you create an iJustTap account, we may collect information necessary to create and maintain your account.

This may include your email address, authentication information, and information associated with your profile.

iJustTap uses Firebase services for authentication and database functionality.

2.3 Digital Profile Information

iJustTap allows users to create digital profiles that can be accessed through an iJustTap NFC product.

Depending on what you choose to provide, your profile may contain:

- Name
- Photograph
- Company
- Job title
- Phone number
- Email address
- Website
- Social media accounts
- Business information
- Biography
- Other links, images, or information you voluntarily publish

You control the information you choose to add to your digital profile.

2.4 Profile Photographs and Images

If you upload a profile photograph or other image to your iJustTap profile, the image may be stored using our cloud infrastructure, including Amazon Web Services (AWS).

iJustTap does not use ImgBB to store customer profile pictures.

You are responsible for ensuring that you have the appropriate rights to upload and publish any photograph, image, logo, trademark, or other content you add to your profile.

2.5 Purchase Information

When you purchase an iJustTap product, we may collect information necessary to process and fulfill your order, including:

- Name
- Email address
- Shipping information
- Billing information
- Telephone number
- Products purchased
- Order information
- Transaction information
- Discount or coupon codes
- Affiliate or referral information

Payment information is processed through third-party payment providers such as Stripe.

2.6 Automatically Collected Information

When you access our website or Services, certain technical information may automatically be collected, including:

- IP address
- Browser type
- Device type
- Operating system
- Pages visited
- Website interactions
- Date and time of access
- Referring website

- Approximate geographic information
- Error information
- Diagnostic information
- Security-related information

We may use this information to maintain, secure, troubleshoot, analyze, and improve our Services.

3. HOW WE USE YOUR INFORMATION

We may use information we collect to:

- Create and manage accounts
 - Provide digital profile services
 - Provide NFC functionality
 - Process and fulfill orders
 - Process payments
 - Ship products
 - Provide customer support
 - Communicate with customers
 - Send transactional communications
 - Maintain and improve our website
 - Maintain and improve our applications
 - Monitor system performance
 - Diagnose technical problems
 - Detect and prevent fraud
 - Protect our Services
 - Analyze website usage
 - Measure marketing performance
 - Manage affiliate and referral programs
 - Calculate commissions
 - Maintain business records
 - Comply with applicable laws
 - Enforce our Terms of Use
 - Protect the rights, property, and safety of iJustTap and others
-

4. NFC TECHNOLOGY

iJustTap products use Near Field Communication (“NFC”) technology.

When an NFC-enabled iJustTap product is tapped using a compatible device, the device may be directed to an iJustTap digital profile or webpage associated with that product.

The information displayed through the profile depends on the information the profile owner has chosen to publish.

An NFC product does not necessarily contain all of the information displayed on the associated digital profile.

5. PUBLIC PROFILE INFORMATION

Information you choose to publish through an iJustTap digital profile may be publicly accessible.

Public information may include:

- Name
- Photograph
- Company
- Job title
- Contact information
- Social media links
- Website
- Biography
- Other information you choose to publish

You should carefully consider what information you make publicly available.

Once information is publicly accessible, third parties may be able to view, copy, save, or share it.

iJustTap cannot control how third parties use information that you voluntarily make public.

6. THIRD-PARTY SERVICE PROVIDERS

iJustTap uses third-party technology providers to operate and improve our Services.

These providers may process information on our behalf or provide infrastructure necessary to operate the Services.

Our technology providers may include:

Stripe — payment processing and transaction services.

Google Analytics — website analytics and usage measurement.

Cloudflare — security, performance, network services, and protection of our website and applications.

Koyeb — application hosting and infrastructure.

Sentry — error monitoring, diagnostics, and technical performance monitoring.

Google/Gmail — business and customer communications.

Heroku — application and infrastructure services.

Hostinger — website, domain, hosting, and related infrastructure services.

Firebase — authentication and database functionality.

Amazon Web Services (AWS) — cloud infrastructure and applicable image/file storage.

Telegram — internal business notifications, including notifications to authorized iJustTap managers regarding purchases.

Third-party providers may process information according to their applicable terms and privacy policies.

7. PAYMENT INFORMATION

Payments may be processed through Stripe or other applicable third-party payment processors.

When you make a purchase, payment information may be transmitted directly to the applicable payment processor.

iJustTap may receive transaction-related information such as:

- Transaction status
- Transaction amount
- Order information
- Payment method type
- Transaction identifiers

iJustTap does not need to store your complete payment card number to process your transaction.

8. COOKIES AND ANALYTICS

We may use cookies and similar technologies for purposes including:

- Authentication
- Security

- Session management
- Website functionality
- Preferences
- Analytics
- Performance monitoring
- Fraud prevention
- Improving user experience

We may use Google Analytics to understand how visitors interact with our website.

You may be able to control cookies through your browser settings.

Disabling certain cookies may affect some functionality of our Services.

9. HOW WE SHARE INFORMATION

We may disclose information to:

- Technology service providers
- Payment processors
- Hosting providers
- Cloud storage providers
- Security providers
- Analytics providers
- Shipping or fulfillment providers
- Authorized iJustTap personnel
- Professional advisors
- Government authorities when legally required
- Law enforcement when legally required
- Parties involved in a merger, acquisition, financing, restructuring, or sale of assets

We may also disclose information when necessary to comply with law, prevent fraud or abuse, enforce our agreements, protect our Services, or protect the rights and safety of iJustTap and others.

iJustTap does not sell personal information as a business practice for monetary consideration.

10. AFFILIATE AND REFERRAL INFORMATION

If you participate in an iJustTap affiliate or referral program, we may collect information necessary to:

- Identify your affiliate account
- Track sales
- Associate sales with coupon or referral codes

- Calculate commissions
 - Track referrals
 - Manage payouts
 - Maintain affiliate records
 - Prevent fraud or abuse
-

11. DATA SECURITY

We use reasonable administrative, technical, and organizational safeguards designed to protect personal information against unauthorized access, loss, misuse, alteration, disclosure, or destruction.

However, no electronic transmission or storage system can be guaranteed to be completely secure.

You are responsible for protecting your account credentials and should contact us at info@ijusttap.com if you believe your account has been compromised.

12. DATA RETENTION

We retain information for as long as reasonably necessary to:

- Provide our Services
- Maintain accounts
- Complete transactions
- Provide customer support
- Maintain business and transaction records
- Prevent fraud and abuse
- Resolve disputes
- Comply with legal obligations
- Enforce our agreements

When information is no longer reasonably necessary, we may delete, anonymize, or securely dispose of it, subject to applicable legal and operational requirements.

13. YOUR PRIVACY RIGHTS

Depending on where you live and applicable law, you may have rights regarding your personal information.

These may include the right to:

- Request access to personal information
- Request correction of inaccurate information

- Request deletion of personal information
- Request information about how your information is used
- Object to certain processing
- Restrict certain processing
- Request portability of certain information
- Withdraw consent where applicable
- Opt out of certain marketing communications

To submit a privacy request:

info@ijusttap.com

We may need to verify your identity before completing certain requests.

14. CALIFORNIA PRIVACY RIGHTS

If applicable California privacy laws apply to you, you may have additional rights concerning your personal information.

Depending on applicable law, these rights may include rights to know, delete, correct, or obtain information concerning certain personal information collected by a business, as well as certain rights relating to the sale or sharing of personal information.

To submit a California privacy request:

info@ijusttap.com

We will process qualifying requests in accordance with applicable California law.

15. INTERNATIONAL USERS

iJustTap is operated in the United States.

If you access our Services from outside the United States, your information may be transferred to and processed in the United States or other countries where our service providers operate.

Where required by applicable law, we will use appropriate safeguards for international transfers.

16. CHILDREN'S PRIVACY

Our Services are not directed to children under 13.

We do not knowingly collect personal information from children under 13 without legally required parental consent.

If you believe that a child under 13 has provided personal information to us, please contact:

info@ijusttap.com

17. THIRD-PARTY WEBSITES

Our Services may contain links to third-party websites, applications, social media platforms, or other services.

iJustTap is not responsible for the privacy practices, security, or content of third-party services.

We encourage you to review the privacy policies of third-party services before providing them with personal information.

18. CHANGES TO THIS PRIVACY POLICY

We may update this Privacy Policy from time to time.

When we make changes, we will update the "Last Updated" date.

If material changes are made, we may provide additional notice when required by applicable law.

Your continued use of the Services after an updated Privacy Policy becomes effective constitutes acknowledgment of the updated policy.

19. CONTACT US
